

# POSTAGE FUNDRAISER

## *PFH Service Project Guide*

Imagine having the freedom to create a fundraiser that perfectly fits your group's preferences and interests. You can design your own rules, choose your own activities, and customize your approach to ensure that everyone is excited and motivated to participate.

## ONLINE OPTIONS

We offer crowdfunding and peer-to-peer fundraising options to help groups and individuals raise funds for their postage fundraiser. These platforms allow participants to create personalized fundraising pages easily, share them with their networks, and collect donations online, making it simple and convenient for donors to support their cause. By choosing these options, fundraisers can easily reach a wider audience and raise more funds for their cause.

## CASUAL DRESS DAY

Choose a date for the fundraiser and let everyone in the office know in advance. Promote the event through email, flyers, and social media to ensure maximum participation. Set a suggested donation amount for team members to pay in exchange for dressing down for the day. Offer a prize for the most creatively dressed team member.

## PENNY WARS

Design a game where specific coins and bills can either add points or subtract them. Boost your team's score by adding points and diminish other teams' scores by inserting coins that lower their points in their jars. The team with the highest score at the end of the game emerges as the winner!
