PFH Service Project Guide

We couldn't send care packages without the tons of donations we get each year of food, hygiene, and entertainment products to help fulfill our servicemembers requests for quality food, hygiene, and entertainment items. Please read the guidelines below thoroughly and please email us at info@packagesfromhome.org if you have any questions.

CHOOSE YOUR PROGRAM

Packages From Home has three programs to support military members: Bones From Home, Packages From Home, and Packages From Hope. Collect K9 items for Bones From Home and travel-sized hygiene or non-perishable snacks for the other two. Items that fit in care packages will be shipped; larger items will be donated locally. See our wishlist online at:

<https://www.packagesfromhome.org/donate-items>

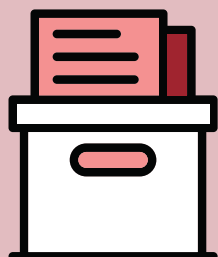

CHOOSE 1-3 ITEMS

When it comes to donations, quality over quantity is what we believe in. We understand that every donation is valuable, and by narrowing down the list of items to a few key essentials, it ensures that we receive the items we need most. Additionally, it allows us to distribute the items more efficiently, which means that they will get to the hands of those who need them faster. Feel free to email us at the address above or follow us on social media to learn more about what our most current needs are.

PREPARE YOUR ITEMS

Verify that your donated items won't expire within six months of the donation date before donating. Separate food and hygiene items from each other. Items should be new and in their original packaging, except for books, magazines, and other media. Following this step greatly facilitates our collection and distribution processes.

DELIVER OR MAIL DONATIONS

Finally, take your collected items and drop them off or mail them in. Use this link: <https://qrco.de/donationdrop> or the QR code provided to schedule a drop-off appointment. You can also mail items to us at Packages From Home, 5643 N. 52nd Ave, Glendale, AZ, 85301.
