

BOX DECORATING

Service Project Guide

This Packages From Home service project means that your thoughtful creativity sends not only a care package but also a piece of heartwarming artwork—making “a little art go a long way.” These uniquely decorated boxes have brought countless smiles to deployed service members, often finding a place on their walls for the entirety of their deployment.

GATHER YOUR SUPPLIES

To start, gather your art supplies and boxes. Please note that for this project, we require a specific USPS shipping box which can be ordered free of charge from this link: <https://qrco.de/1097box> or by scanning the QR code to the right. Boxes will be delivered to your home or office within 7-10 business days. You can use pencils, crayons, paint, markers, stickers, glitter, and more to create your masterpieces!

DECORATE YOUR BOXES

After gathering your art supplies and boxes, let your creativity flow! Use our art and letter-writing guidelines (https://qrco.de/bd_lw_guidelines) to guide you as you decorate the boxes with uplifting pictures and messages for our military heroes overseas. Please remember that we will apply a postage sticker to the box for shipping, so any art placed in the designated postage square will not be visible—everywhere else is fair game for your personal masterpiece!

SHOW OFF YOUR ART

After decorating your box(es), snap photos and upload them to Instagram using the hashtag #boxdecorating. Tag us [@PackagesFromHome](https://www.instagram.com/PackagesFromHome) so we can feature your artwork on our feed!

SEND YOUR BOXES IN

Finally, take your decorated box(es) and drop them off or mail them in. Use this link: <https://qrco.de/donationdrop> or the QR code provided to schedule a drop-off appointment. You can also mail decorated boxes to us at Packages From Home, 5643 N. 52nd Ave, Glendale, AZ, 85301. Remember to leave the boxes flat and unassembled.
